Recent Council Actions

Upcoming Events and Meetings

10/6: Bikeways and Trails Committee

10/8: Touch-A-Truck Event

10/8: Kids Garage Sale

10/8: Lake Johanna Fire Department Open House

10/10: Economic Development Authority

10/10: Council Workshop

10/17: Council Meeting

10/18: Economic Development Commission

The City Council took the following actions at their October 3 meeting:

- Approved an amendment to the enabling resolution of the Economic Development Authority that changes current membership requirements from three councilmembers and two Economic Development Commissioners to include three councilmembers and two members who are either residents of Shoreview or work in, own, or operate business in Shoreview. This will include individuals who may concurrently be serving on another City sponsored Advisory Committee/ Commission.
- Approved a Preliminary Plat, Rezoning Development Stage - Planned Unit Development and Comprehensive Sign Review for a mixed use retail development on Red Fox Road near SuperTarget. This phased development includes a 10,000 square foot retail center and two additional retail building sites. The new retail center is expected to include at least two new dining opportunities and other retail shops. The project is expected to receive final approval at the October 17th Council meeting and construction is expected to begin this fall, with an opening scheduled next spring.

miss out on the last few weeks to obtain Minnesota grown vegetables and produce and a variety of other products. The Farmers Market is held in the lower parking lot of the Community Center. Visit the last Market on October 25 and receive a farewell treat compliments of Neumann Farms.

Economic Development Commission Seeking Applicants

The Economic Development Commission (EDC) currently has two vacancies and will be accepting applications thru Friday, October 21. The EDC provides guidance and support to the Shoreview City Council on matters relating to economic development and redevelopment, and promotion of business retention and expansion through business visits, networking events, and other programs. The EDC also works closely with the Shoreview Economic Development Authority on economic development and business matters. Interested individuals must complete and return applications to the City Hall.

City Begins Hydrant Flushing Program

City Utility Maintenance Crews recently began their biannual hydrant flushing program that is used to clean sediment from water mains and insure proper operation of hydrants and valves. During the hydrant flushing, residents may notice reduced water pressure and some discoloration of the water for a short period of time. Although there is no health hazard associated with the discolored water, residents are encouraged to run cold water through their taps until the water is clear. It is also suggested that residents avoid doing laundry (particularly whites) while the hydrants are being flushed or water is discolored. For more information visit the City's website or call 651.490.4661.

Lake Johanna Fire Department Open House

The Lake Johanna Fire Department will host its annual open house from 11 a.m. to 2 p.m. on Saturday, October 8, at Fire Station 3, located at Lexington Avenue and County Road I. The event will feature fire truck rides, fire engine and equipment displays, fire safety information, door prizes and refreshments. Stop by for a great time.

Upcoming Recreation Program Special Events

- Kids Garage Sale: October 8 (9 a.m. - Noon)
Kids are welcome to bring items to sell or just shop.
- Touch-A-Truck Event: October 8 (9 a.m. - Noon)

All ages are welcome to not only touch, but hop right in the drivers' seat of a fire engine, police car, plow truck or dump truck.
